 - Quick Start guide & training CD
 - For Windows 2000, XP, Vista
 - Easy to use, intuitive interface

embroidery made simple: now even more powerful!

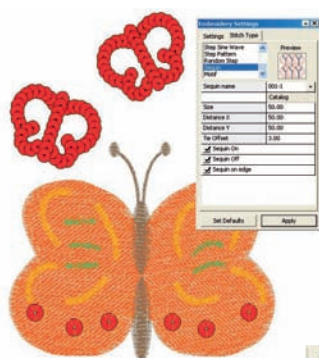

Name Drop

Add a list of names to sew with a logo.
A different name will sew for each garment.

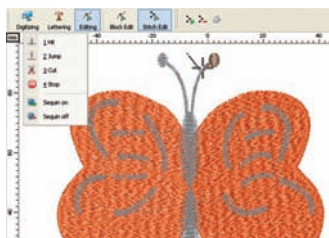

Unbeatable Functionality

Whether you are moving up and need more features or just starting out, the 'Embroidery Studio Plus' level has all the Tools, Quality & Power you need to achieve impressive results.

Sequin

Be creative with digitizing. Sequin is available in standard digitizing tools such as normal fill and running stitch, but also as manually inputted sequin.

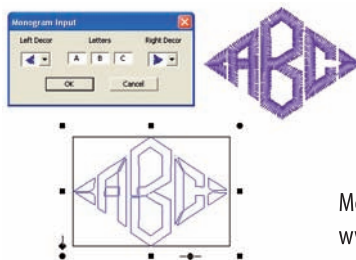

Stitch Edit

Edit even the smallest detail.
Change machine codes for existing stitch files.

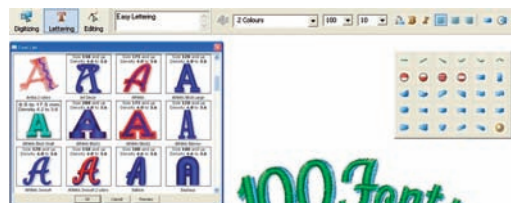

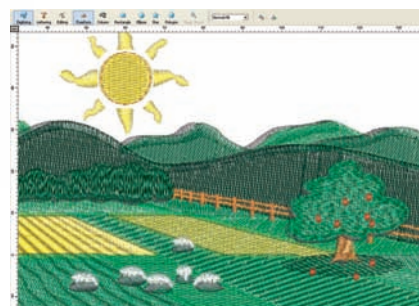

Monogram Input

Take advantage of the high quality Monogram fonts.

Editing

Everything digitized can be easily edited and changed.

100 Fonts
Easy Lettering

Total of 100 high quality fonts & 30 Lettering templates
More fonts & frames to help you produce quality lettering effortlessly.
